## Council says 'It's time' at last

# SWIM POOL TO BE BUILT WITHIN TWO YEARS

**The swimming pool that has been talked about in Altona for years may become a reality within the next two years, following a decision by Altona Council.**

At last week's council meeting councillors were unanimous in their support of a motion by Cr. Doug Grant to make preliminary arrangements for the financing of a 25-metre heated indoor swimming pool to be built on the P. J. Lynch Reserve at Altona North.

Council hopes to raise $100,000 towards the cost of the pool, by transferring the proceeds of a loan which was originally borrowed for private street construction and is now no lounger required for that purpose.

**One hold-up to the project could be the waiting period for a Local Government Department subsidy of $35,000 but council has indicated that it will proceed without this if necessary.**

Original cost estimate for the pool was $336,500, but council will aim at reducing this figure by building only what is necessary immediately and adding to the project later.

## Approval sought

After debating the matter last week, Cr. Doug Grant moved a recommendation by town clerk, Mr. Syd Fell, that council seek the approval of the lender of the original $100,000 loan — the Local Authorities Superannuation Board, to use the funds for the pool.

"Sketch plans have been drawn up for the pool to be established on P. J. Lynch Reserve," said Cr. Lynch.

**"We have visited a number of pools in the area and applied to the Local Government Department for subsidy. The time has come for us to make a decision on this."**

In his motion, Cr. Grant requested that Cr. Les Crofts, as chairman of the swimming pool committee, convene a meeting of the committee to report on progess and decisions by council relating to the pool.

Cr. Les Crofts said: "In its wisdom, council has seen fit to wait for the right moment and now we're in a position to get going with this project.

"The site will not suit everyone, but is the best one we can see at the moment."

Cr. Crofts said council had wiped off a big deficit caused by the over-borrowing of the previous council.

**Council's financial position is the healthiest it has been for years and the swimming pool project can now be tackled without any fears."**

The Mayor and Mayoress of Altona, Cr. and Mrs. Harry Weaver, with their family.

## Let's work hard for peace

**The Mayor of Altona, Cr. Harry Weaver, has asked the Star to convey this message to the people of the city:**

Christmas is traditionally a time for children and for family re-union.

As we rejoice and bid one another the compliments of the festive season, let us resolve to work together in harmony for the benefit of mankind in general and for ever-lasting peace.

To those who are to travel, may your holidays be of great joy and happiness, with a safe return to your homes.

Let us all resolve, in the interests of public safety, to exercise caution and courtesy in our travel.

With the mayoress, I join in extending to all our wishes that your Christmas will be an exceedingly happy occasion and that 1973 will bring achievement and satisfaction.

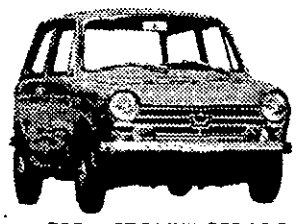

## Now they're waiting for their reward

**Jacqueline Farrugia and Steven Abraham weren't about to take any chances when they visited Santa in Footscray this week. "Of course we've been good . . ." they reassured the bearded gentleman, and now they're waiting to reap their reward. Jacqueline and Steven, both four, live in Altona.**

## He's aiming to make religion more relevant

# REV. LAWLEY'S NEW CHALLENGE

***Rev. John Lawley faced many hazards when he first came to Altona six years ago.***

And not the least of these was getting his finger squashed between the pulpit and the wall of the old church whenever he was preaching and the wind changed!

But that's all in the past now, as the new St. Eanswythe's replaced the old wooden church and hall in Bent Street a couple of years ago.

And the years at Altona are now history for Rev. Lawley, as he and his family moved out of the city last Friday.

He's taken up what he describes as a "teaching ministry" at the Yarra Valley Church of England school in East Ringwood.

He says there's not his Altona parishioners have asked him why he is leaving the ministry—but to his way of thinking it at all.

A teaching ministry to him is just as much a ministry as the parish ministries he's been lookin gafter for the past 11 years.

**Rev. Lawley says the Yarra Valley school is experimental and already has its own chaplain. His role will be to teach what he describes as "religion in life."**

He say sthere's not much place for formal religious instruction these days.

But the question of religion arises all the time in all the subjects taught at school—from biology to history or even geography.

And he will have the experimental role of explaining these questions of religion as they arise in other subjects.

He studied the first part of his Diploma of Education this year, and will teach English and Social Sciences and one class of formal religious instruction as well.

But he adds, even though he will give this religious instruction class, he has mixed feelings about teaching religion this way.

Rev. Lawley says he's most excited about his move in to the teaching ministry, but he wished he did not have to leave Altona to do it.

No one who hadn't lived in the town could understand its strong community spirit and its country-town atmosphere.

And these things were very important today, he says, when living in a city was such an anonymous thing.

He's a great hockey player and says when he joined the Altona Hockey Club, the church's congregation grew — people realised he was a human being, and not just a figure to be seen in the pulpit once a week.

Rev. Lawley says the building of the new church in Bent Street was the first essential step in his work for the people of the St. Eanswythe's congregation.

It provided a meeting place for people and somewhere where youth and teenage work could be carried out.

● *It's goodbye to Altona for the Lawley family as Rev. John Lawley helps the removal man, Eddie Kolar, move his household goods.*

**The role of any minister of religion, he says, is basically to help educate adults to be interesting enough Christians to help young people.**

He says he isn't complaining when he adds that a minister was too besieged by work to fulfill all the demands made on him — and so the role of adult educated Christians was very important.

St. Eanswythe's has been very fortunate in the number of dedicated lay-leaders it has to undertake all types of community and church work.

In fact, the parish, has achieved a "first" in Australia.

This is SCIP—Saturday Christian Instruction Programme — which is a way of teaching religion to young children through fun and games.

The children, aged between one and six, meet for five hours on a Saturday once a month, and the programme for the day could involve anything from singing and plays to games, picnics and visits.

Rev. Lawley says he would describe SCIP as a success, especially when compared with the conventional Sunday school approach to religious instruction.

And it involved the parents as well.

Rev. Lawley studied commerce at Melbourne University, and had decided on a career in market research when he suddenly decided to be ordained instead.

So he took his theology degree and is in the middle of his Master of Arts as well as his Diploma of Education.

And what about the future of the church, and more especially the Church of England?

**Rev. Lawley thinks that what he calls the basic religious truths, such as God, Jesus and the Bible won't ever change.**

But the form the church takes probably will.

He sees a time when instead of large congregations meeting once a week in a church, small groups will meet probably in private homes.

These people will give each other the support and close contact that is missing from so much community life these days.

He says the church must keep in touch with "living", and small groups both provide support for the members and are an educating body as well.

And he is adamant that the church is not weaker than it used to be — instead it is just under more attack.

But if it is adaptable, it will survive.

And there is always room for experiments —like his new "teaching ministry".

# How your rates are being used

**City engineer, Mr. Ralph Simmons, made the following report on council contracts at last week's council meeting:**

● **Altona Meadows Subdivision — Stage 2—P.S. Scheme 103.**

The laying of all underground drains and the construction of drainage pits was completed.

Cleaning up of excavated materials is nearing completion.

● **Altona Meadows Subdivision — Stage 2—P.S. Scheme 104.**

Levelling and soiling of nature strips was continued.

● **Kororoit Creek Road—Grieve Parade Intersection.**

The newly completed section of Grieve Parade adjacent to Kororoit Creek Road, for use by southbound traffic in Grieve Parade, was opened to traffic.

● **Right-of-way adjacent to Library.**

Reconstruction of the parking area adjacent to the library, and resultant widening of the right-of-way from 12 feet to 20 feet, was completed.

● **Pier Street—Footpath.**

Section of the footpath on the west side of Pier Street adjoining the frontage of Coles new store was reconstructed.

Section of the path on the east side of Pier Street opposite Coles will be reconstructed in the new year.

● **Foreshore Works.**

Removal of seaweed from the foreshore was continued.

Sand deposited on W. G. Cresser Reserve when the channel leading from the boat ramp was dredged was carted to sections of the beach front.

## A CHANGE OF MIND

**The man recently appointed to the post of chief health inspector with Altona Council. Mr. R. K. Andrew, has reconsidered his application for the position and withdrawn it. He will remain with Werribee Shire Council.**

Councillors were advised of the withdrawal at last week's council meeting, by town clerk, Mr. Syd Fell. The advice was received and noted following a motion by Cr. Doug Grant.

Cr. Grant then moved that Mr. John A. Russell be appointed a senior health inspector with the council. Mr. Russell, an Altona resident and pollution specialist, has been working for the council on a temporary basis, for a few weeks.

## GUESTS

**Council staff and their partners were guests at last week's meeting of Altona Council, which was the last for the year.**

Councillors' wives were also in attendance. Council will take its customary break until February next year.

## Val's Column

Hello Girls,

*Here is your last chance to pretty up for the Christmas break, girls!*

Knowing you're on a tight personal budget at this time, there is still no need to go without a lift with new face color for that holiday outfit.

I'm glad to be able to show you very handy priced, and yet still keep you in top fashion with Coty Lip and/or Eye Flicks. Little flicks of color. You may have a good compact and collection of eye shades, but miss out on—say—Frosted Orchid, or then again Frosted Silver would give a lift to that latest long skirt of yours.

Look in on the new soft colors in the tiny Flick case with sponge application to apply the creamy powder shadows. Only $1.45.

Lip Flicks come in the same neat little mini-case. Six young shiny fashion shades, only $1.45. And I say! These would make a natty gift presented in a transparent gift box with a nail polish, or a blush — you choose the new colors and give to your friend — a very personal thought.

Revlon have the same little package deal in mind for you. There seems to be a lot of concentration on your eyes over these warmer days. Subtle, but there it is color on **color.**

Why miss out — no need to — at only $1.95 a new formula eye powder, just what is needed — they are moisturised and have protein added. Why not? Our face creams and colors have, not many eyes can go without pampering — for glamor or treatment.

And all in a little single eye pan shadow. Twelve colors to choose from — and with a sponge tip applicator for best applications. Matching eye sticks to go around the eye to give off that radiant happy eye look.

Let all here at I. L. HERBERT CHEMIST help you on these last few days before the festive occasion, and let us pass on to you all our best wishes for a very Merry Christmas.

# CAROLS AT LAVERTON

**"Carols by Candlelight" will be held at the Laverton High School next Wednesday (December 20) commencing at 8 p.m.**

Music will be provided by the 60 piece RAAF Central Band under the direction of Squadron Leader R. Mitchell.

Guest artist will be well-known television performer Pam Fletcher and compere will be Mr. Athol Guy, MLA.

The singing will be led by the Werribee Choral Society. Candles and songsheets will be available on the night which has been organised by the Laverton Auxiliary of the Victorian Society for Crippled Children and Adults.

The programme will tell the story of Christmas with Nine Lessons and Nine Carols.

People travelling by car should turn off Geelong Road at Laverton when they see the "Carols" sign.

It is suggested you bring a blanket or ground sheet to sit on.

For further enquiries phone Mrs. B. Ross on 399 2134 or the Society.

The night will be cancelled if it is raining.

# No garbage pick-up on Christmas day

Garbage will not be collected in Altona on Christmas Day. Instead, garbage normally collected on Mondays will be collected on Tuesday, December 26, and as usual on New Year's Day.

# CREEK SERIOUS HEALTH HAZARD: SURVEY

**Water in Kororoit Creek is a serious health hazard, according to a survey taken by three third form students at Altona North Technical School.**

The students, Peter Dyer, Stephen Barnham and Bill McKenzie — undertook the three-week survey with guidance and advice from teachers of the school's science department.

The boys took samples of water from different points along the creek and all were taken from within arm's length of the bank.

All samples showed physical evidence of pollution in the form of suspended solids.

The worst samples were taken from just below the point of discharge from a 2-ft. diameter pipe serving an industrial area in Altona.

The water was a dull grey in color with black sludge deposits giving off obnoxious smells.

In all cases there was a total absence of marine life— plant, insect or animal.

The boys reported that although there had been little rainfall in the area for about six months before the survey, there was no significant fall in the level of the water.

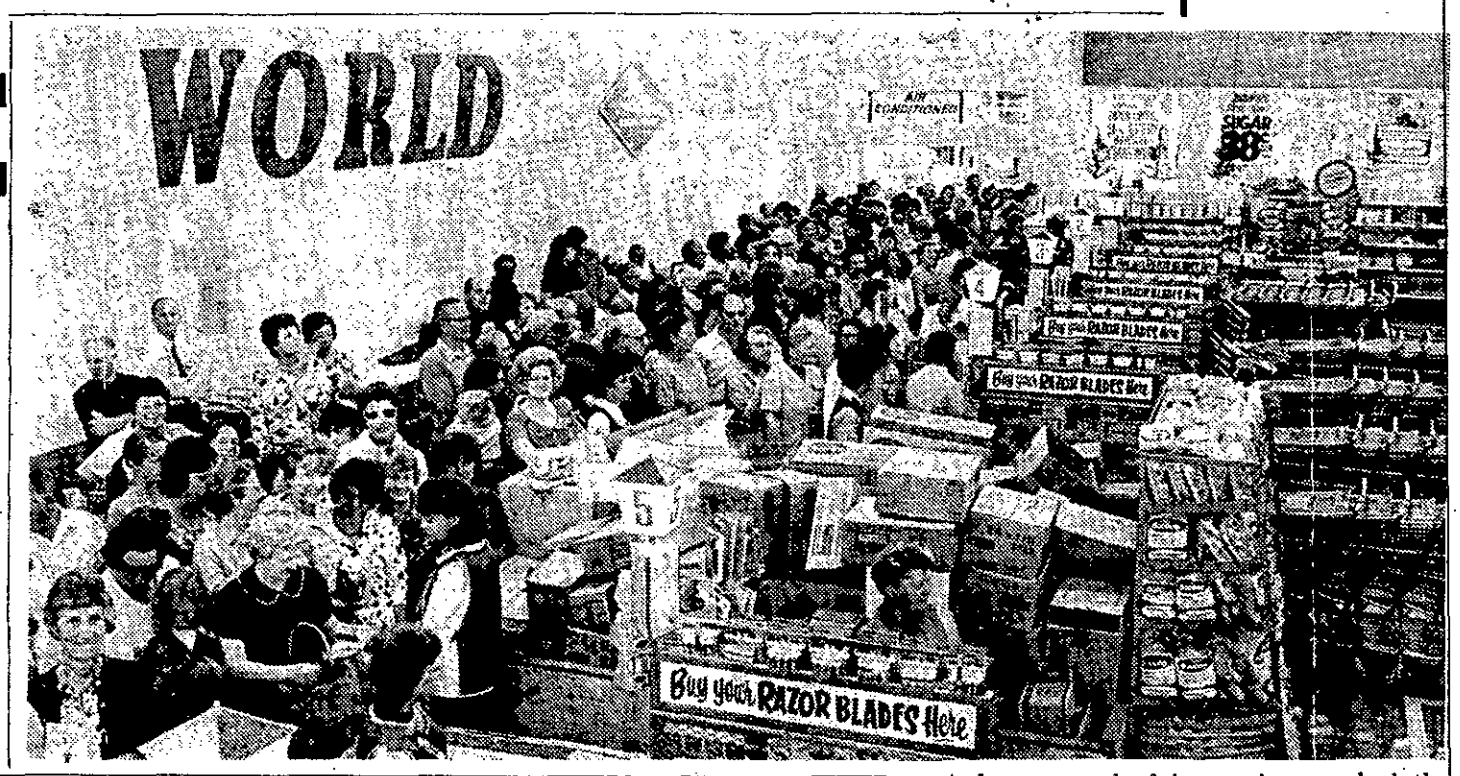

This indicated it was being fed along its length from sources other than rainwater.

A bacteriological analysis of the water samples showed many colonies of bacteria were incubated.

In each sample the development was abnormal, signifying gross faecal contamination well in excess of accepted safety limits.

Apart from contamination by chemical trade wastes (including oil) the gross bacteriological pollution which is occurring makes the creek water a serious health hazard.

# Busy start

A large crowd of housewives packed the lobby area and overflowed into Pier Street before Coles' new supermarket in Altona opened its doors for the first time.

The store, Altona New World, is located near the corner of Pier and Queen streets and has a complete range of groceries, frozen foods, Australian and Continental delicatessen and dairy produce.

Fresh meat and fruit and vegetables are prepared and packed on the premises by specialist staff.

Shoppers took the opportunity to do all their Christmas food shopping under one roof, with the added incentive of a wide range of opening specials.

# Keeping Borthwick on his toes

**Bill Ross still can't believe his luck.**

**He's so used to conservation issues being ignored that it's taken him quite a while to grasp a decision handed down by the Minister for Lands and Conservation, Mr. Borthwick.**

The Minister overuled a decision by Altona Council to use 21 acres of land on the western part of Truganina Reserve as a tip.

And Bill, a teacher at Werribee High School, thinks there is hope of preserving a few of the surviving areas in Victoria as yet not spoiled by people as long as Mr. Borthwick continues to think along the same lines.

So he and brother Ken are not going to let Mr. Botrhwick rest on his laurels.

They want the area presetrved for all time as a national park.

They were both born and bred in Altona and the salt lakes area is their favorite walking spot.

Bill says it is imperative that the six and a half acres be preserved for walkers only because access roads will not only disturb the birds but they will bring great numbers of people as well.

Bill say Mr. Borthwick rejected tip plans because the salt lagoons area is unique and probably the area richest in birdlife around the whole Australian coast.

More than 200 species have been seen there and one type using the lagoons as its breeding ground, comes all the way from Siberia.

Bill says Mr. Borthwick could see that the reserve had to be kept as a buffer zone between people and the birds' breeding grounds.

## Booklet

Bill and Ken have published a small booklet, giving reasons why the salt lagoons should be preserved.

They plan to present it to the Minister and they'll have the support of the Port Phillip Conservation Authority, the Altona Pollution Abatement Society, the Australian Conservation Foundation and other conservation minded groups.

Bill says the Port Phillip Conservation Authority has already put forward a plan for a national park along the coast, taking in the Homestead, Point Cook area and the Cheetham Lake system as far north as Skeleton Creek.

All this land is in Werribee shire.

But he says the authority has now agreed that the park should extend into salt lagoons in Altona and so include the whole of the lakes area.

The booklet calls for action from Altona city council to ban motor cycles and cars from the Truganina Reserve and the Cheetham area because they are having a disastrous effect on the ecology.

There should be on tipping or filling of the area whatsoever, because this disturbs the nesting grounds.

Firearms should be outlawed, especially as weekend shooters make game of the large black swans which are protected by law.

Bill says Altona people are not sensitive to the environment.

The Pollution Abatement Society has done a great job, he says — both he and Ken are members — but the majority of people "get cretonised by work".

They come home so tired after a day's work that the problems of the environment don't interest them at all.

Yet in the awareness of the new generation, he sees hope for some sensible balance between progress and preservation of

# EXECUTIVE CHANGES

Newport ALP's annual meeting witnessed several changes in the executives with the retirement of the secretary, Cr. Byron, JP, after many years of service to the Branch.

The office is now held, after a unanimous decision, by Miss Irene Sahhar, B. Com., Dip. Ed., who studied at the same University as the Member for Gellibrand, Mr. Ralph Willis, MP, B. Com.

The president, Cr. Leo Hoffman, JP, was re-elected unanimously and expressed his satisfaction at the attendance at the meeting and the courage of the new secretary, being the first lady member of the branch to take office.

Mr. Ted Blanche, as vice-president, was the oldest member of the Branch holding office and after giving many years of service, announced at the meeting that he wished to retire in order to give a younger person the experience. The president commended his attitude in the way he wished to put the Party first. Mr. S. Squire was then unanimously elected to the position.

Cr. Jarrard was re-elected to the position of treasurer and Mr. G. Proctor to the new position of assistant secretary. Mr. R. B. Ames was elected as publicity officer.

The branch meetings are held the last Thursday in every month at the Newport Library Hall, Mason Street, at 7.30 p.m. except for December.

# Sunday smorgasbord

Caviar and suckling pig have proved popular with patrons at the Sunday night smorgasbord at the Yacht Club Hotel, Williamstown.

The smorgasbord lasts from 6 to 10 p.m. and has been operating for three weeks.

Chef is Herbert Krombach.

The smorgasbord idea for Sunday nights originated after patrons complained of lack of entertainment in the Williamstown area.

# LOSS OF ROSCA BLOW TO STATE AND FOOTSCRAY

By LAURIE SCHWAB

**Footscray J.U.S.T. and State centre-back Mike Rosca will return to his native Rumania.**

This was revealed on Monday by State team manager BILL CURRAN.

He and Victorian coach **Bill Walsh** acted quickly to compensate for the loss, by recruiting **Jimmy Kriaris** of Alexander to the State squad training for the match against **Pele's** team Santos on February 2.

Footscray J.U.S.T. will have far greater difficulty replacing the veteran centre-back who was one of the finest defenders in Melbourne during his two-year stay.

J.U.S.T. has also lost coach **Milenko Rusmir** who steered the team of the 1971 State League championship and who achieved fourth place this year.

Former J.U.S.T. defender **Cedo Cirkovic** is tipped to take over from Rusmir, who could not come to terms with the club over wages.

Cirkovic coached Alexander last year and for half of the 1972 season.

Despite Rosca's absence, the State team thrased a Geelong representative team 9-1 last Sunday.

His replacement, Kriaris, performed well and showed great co-operation with fellow centre-back **Arthur Xanthopoulos** of Hellas.

**Johnny Wallace** of Melbourne and **Peter Bourne** of Hellas starred in mid-field and **Branko Buljevic** of J.U.S.T. having the first match after his honeymoon, had a fine second half during which he scored two goals.

Goalscorers were **Jim Armstrong** (Hellas) 3, **Buljevic** 3, **Peter Ollerton** (Wilhelmina) 1, **Johnny Gardiner** (George Cross) 1, **John Wallace** 1.

Croatia whirlwind **Billy Vojtek** missed the match because he was away for the weekend.

The State under-16s had a 7-0 victory against a combined Geelong team.

Stars were **Mendo Ristovski** of J.U.S.T. and **Andrew Bozikas** of Hellas, who both have good chances of reaching the final senior squad for the match against Santos.

The State squad is now resting until January 2, when the tempo of training will increase.

Practice matches are scheduled for January 6 against Wilhelmmina at Ringwood and January 13 against Austria at Elwood.

## Croatia to meet

**Croatia, which is still outlawed from the Victorian Soccer Federation, will have a meeting of members at St. Augustine hall, Yarraville, on January 2.**

At the meeting, members will discuss legal action being taken against the VSF over the club's expulsion.

No date has yet been set for the court case.

Croatia's solicitors, Lander and Rogers, are preparing writs against individual members of the Federation committees which played a part in the club's expulsion.

No writs can be issued against the VSF itself as it is not an incorporated body.

**Geelong club Bell Park has been accepted to the fourth division, as a result of the expulsion of State League club Coratia.**

The vacancy left in the State League was filled by the retention of Box Hill, which would ordinarily have been relegated.

With no team dropping into the Metropolitan League it became necessary to demote only one instead of two teams from the first, second and third divisions.

Therefore, the only vacancy was in fourth division and Bell Park has won the spot.

Make up of all leagues for next year is:

STATE LEAGUE: Hellas, George Cross, Melbourne, J.U.S.T., Hakoah, Austria, Juventus, Wilhelmina, Polonia, Alexander, Box Hill, Slavia.

FIRST DIVISION: Frankston, St. Albans, Ajax, Western Suburbs, Altona, Sunshine, Mooroolbark, Yallourn, Lions, Keiwor, Ringwood, Springvale.

SECOND DIVISION: Albion Rovers, Fern Tree Gully, Dandenong, Hercules, Coburg, Heidelberg, Moreland, Makedonia, Waverley, Croydon, Prahran, Richmond.

THIRD DIVISION: Eltham, South Yarra, Athena, Brighton, Ballarat, Corio, Chelsea, Olympic, Park Rangers, Bayswater, St. Kilda, Newport.

FOURTH DIVISION: Clayton, Rosebud, Helvetic, Moorabbin, Triestina, Broadmeadows, Sandringham, Bell Park, Monash, Doncaster, Mornington, University.

## Poulakakis stays on

**Manny Poulakakis, who this year steered South Melbourne Hellas to the State League championship, has renewed his contract with the club.**

This followed weeks of uncertainty for Poulakakis, while he was negotiating with the new Hellas committee.

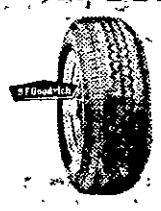

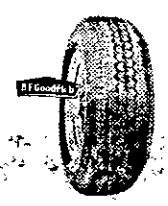

If the negotiations had broken down, Poulakakis would have gone to Alexander, which he coached in 1970.

Holder of the FA coaching certificate, Poulakakis, 49, performed a remarkable feat this year, winning the championship with a bunch of youngsters after many of the experienced players had either been sold or returned to Europe.

He's been told there won't be any new players this year, despite the fact that a number of Hellas players are getting a bit long in the tooth.

Nevertheless, Hellas must be favored for the 1973 title.

# BON THOMAS, MLC SUNSHINE

If the central Christmas theme of peace and hope is realistically grasped this year, the western suburbs of Melbourne will have "a wonderful Christmas present".

I am not saying that Australia should not be able to defend herself from attack by an aggressor nation, or be able to look after herself.

But at the same time I emphasise my belief that it is better to work for peace and spend for peace than to work for war.

The idea of peace on Earth is not a new thought, and we are reminded of this fact at Christmas, because Christmas celebrates the birth of Christ, whose great message is "peace on Earth, good will among men."

Now, at the moment there is no military threat to Australia at all from any country, and Australia certainly has no aggressive intentions against any country.

So I believe — and the time of Christmas strengthens this belief — we should all as citizens, not just citizens of our own area but of the world, work and spend for peace to ensure that war cannot eventuate.

Now, how will all this turn out to be a "good Christmas present for Melbourne's western suburbs?"

**The recent change of government surely must give new hope to all Australians.**

The new Government has shown already that its intentions are to spend on peace and to spend where people live and where needs are urgent.

One such area is the rapidly developing region of the western Melbourne suburbs, which will benefit from the new Government's attitudes to the needs of outer urban areas.

**We can expect massive efforts to overcome the years of neglect in providing essential services, such as water, sewerage, drainage and freeways in outer urban areas.**

All this, surely, with realistic efforts to reduce unemployment must mean a big Christmas present for all the West.

To all this I would like to add from myself, and from my wife and family, to all the people of the west and particularly parents and their children, the warmest best wishes for a genuinely happy Christmas period and a good year in 1973.

And if I could add one thought, please: If you drive, drive on the defensive, and make this Christmas a record year in reverse — no road accidents at all!

# IT'S TIME TO RELAX

*It was hot and everyone was lazy but Marie Field, 23, of Newport still managed a smile for our photographer at Williamstown beach.*

# Alex Knight, MLC Melbourne West Province . . .

As Christmas time comes again upon us one must reflect on the past and what Christmas means to us all.

At this time of the year we hear a lot about "Peace on Earth and Goodwill towards all men". But do we take this expression seriously? Man's inhumanity to man is evident in the form of wars and threats of war and in the toll of our roads; nowhere is our problem more evident than in our use of the motor car.

**The much-vaunted Australian ruggedness, perhaps more accurately described as selfishness and lack of courtesy, is more to blame for our shocking road carnage.**

It would be wonderful if this fact could be realised for I believe it would result in a decrease in our holiday road toll.

One can ask oneself the following: What have we achieved during 1972.

Millions throughout the world are homeless and starving, and while countries are still at war, or preparing for it, there is very little indication that the ideal of a real brotherhood of man is anything but a dream.

There is reason for concern but not time for pessimism.

Christmas is now much more than a time to celebrate the birth of Christ, who came to make this a better world. Our responsibility is to realise that "Peace on Earth" can only become an established fact when we have regard for the example set nearly 2000 years ago and are prepared to try to do something about it.

To the sick and weary I wish you a speedy recovery to good health. To the aged, I hope your Christmas is a happy one and trust that in the future you are properly cared for by the new Government.

Finally, on behalf of my wife and family, I wish you a Merry Christmas and a bright and happy New Year.

# PIONEERS

Mr. Vic McCartin, maintenance manager of Petroleum Refineries (Australia) Pty. Ltd., told students of Paisley High School, Altona, that they, as the first students of a new school were pioneers and the future of the school depended on their support and the support of the community.

The occasion was a visit by the school's 155 students and staff to the Altona Refinery, where Mr. McCartin, who is also on the school's advisory council, presented a cheque for $1000 on behalf of the refinery to the principal, Mr. D. Collins.

The school, which is presently made up of temporary portable classrooms, will start permanent construction early in the new year. One of the items to be prepared will be a sports court and the $1000 will purchase the necessary items to equip the area for the various sporting activities.

The sports area will be known as the PRA Court and Mr. H. C. Hunt, general manager of the refinery, presented a plaque which will be a permanent fixture at the court.

## BIRTHS

**JEREMIAH.**—Mr. and Mrs. Ron Jeremiah, Hanmer Street, Williamstown, happily announce the births of two grandchildren, both born Wednesday, December 6, to eldest son, Geoffrey, and Jacqueline (Vanessa Adele), sister for Rachel, and to youngest son, Laurie, and Jeanette (Kim Michelle). All well.

## ENGAGEMENTS

**FRANCOMBE — MOSCROP.**—Mr. and Mrs. K. Francombe, of Williamstown have much pleasure in announcing the engagement of their only daughter, Diane to Brian, third son of Mr. and Mrs. L. C. Moscrop, of Essendon.

**HANSEN — WHITE.** — Mr. and Mrs. L. Hansen of 91 Grieve Pde., Altona announce with pleasure the engagement of their second daughter Beverley June to Colin Davidson, son of Mrs. B. Mundy of Alice Springs. Beverley and Colin plan to marry at Alice Springs on March 9th, 1973.

## ENGAGEMENTS

**JOHNSTON —LEGG.** — Mr. and Mrs. D. N. Johnston of Dunfriesshire, Scotland, have much pleasure in announcing the engagement of their only daughter, Eileen to Geoff, second son of Mr. and Mrs. F. W. Legg, of 16 Severn St., W. Newport.

## DEATHS

**FLEMING.** — On December 7, George Albert John, of 3 Tait Street, Newport. Beloved husband of the late Esma, loving father of Bryan, fond father-in-law of Barbara, devoted granddad of Carolyn, Garry and Guy. Loved brother of William (dec.), Alva and Tom and fond brother-in-law of Jack and Ivy. Aged 69 years. With Es. at last. Cremated at Memorial Park December 11, 1972.

**JARRAD, Grace.**—On December 8, loving mother of Grace (Mrs. R. Dooley), son-in-law Roy, nan of Don, Lorraine, Shirley (dec.), Kevin; aged 82 years. Rest in peace.

## IN MEMORIAM

**AULD.**—On 11th December, 1957, Mabel Florence, dearly beloved mother of Maria Jean (Mrs. Hewet) and Sheila (Mrs. R. Webster).
Treasured memories of a wonderful mother. R.I.P.

**FINLAYSON, JOHN Francis.** — Treasured memories of my beloved husband, 18/12/70.
I miss you more than anyone knows.
The tears I shed can be wiped away,
But the longing for you is here to stay.
You gave me love in fullest measure,
Care, devotion, memories to treasure.
In my heart you'll always live,
The most wonderful husband God could give.
— Loving wife, Lyla.

**PUGSLEY, Jim, Minnie.** — Loving memories of our devoted parents who left us so suddenly and sadly at Christmas. Dad 18.12.58; Mum 26.12.71.
Though absent they are always near,
Still loved, still missed and very dear.
— Alma, Jim and families.

## IN MEMORIAM

**GREEN.** — Loving Christmas memories of Percy Green, 5 Federal Street, North Wiliamstown, passed away 17th November 1972. Darling husband of Becky, loved father of Ron, Charles and Ken.
God in his great mercy at this loving Holy season gives all troubled hearts a reason to rise above their heartaches. For in sending us His Son, he promised everlasting joy. When our work on Earth is done.

**PUGSLEY, Minnie.** — In loving memory of Minnie. As long as life and memories last,
You will live forever in our hearts.
— Irene, Arthur Hansen.

***SPOTSWOOD, Gordon.*** — In loving memory of our father and husband, who passed away 22/12/70.
Behind life's smiles there lies many a tear,
For the father we lost and loved so dear,
Our hearts still ache as we whisper low,
God bless you darling dad we miss you so.

***SPOTSWOOD, Gordon.*** — Passed away 22nd December, 1970.
We cannot bring back the old days when we were all together, but as time unfolds another year, treasured memories keep you near.
We miss you mate.
—Bill, Pat, Raffle and family.

***WARD, Walter.*** — 5/12/69. Loving memories of a wonderful dad and pop.
We will never forget
Daryl, Norma and family.

**WEAVER, Adelaide May,** 2/1/69.
In loving memory of our dear mother and nana.
Always in our thoughts.
— *Jean, Ken, Gwen, Reg, Wayne, Norma, Janice and baby Paul.*

**WHIFFEN, Allan Alfred.** — Loving husband and father passed away Christmas Day, 1969.
To be with us in the same old way.
Would be our dearest wish today.
— Loving wife Rube and all *his families.*

## THANKS

# Schools make big donation

**Williamstown district schools last week donated $820 to the Williamstown Hospital.**

This is in addition to $170 raised by schools during the egg appeal.

The donors were: Spotswood State School — $100, Williamstown Grammar School — $10, and the school's Junior Red Cross — $10, Williamstown High School — $100, Williamstown State School — $500 and Williamstown Technical School — $100.

# Accommodation needed urgently

*Accommodation is urgently needed for the many hundreds of young country people who will be coming to Melbourne from December to March.*

The majority of the young people are school leavers who are forced to come to Melbourne to find work and carry out tertiary studies because of lack of opportunities in country towns.

The campaign is being organised by the Young Christian Workers Movement which operates an accommodation service.

The service which is run on a non-profit basis is open to all people who want to use it regardless of age, sex, color or creed and its chief purpose is to assist country youth find suitable accommodation in Melbourne.

Already many applications for accommodation in the coming year have been received.

Full board in a family type environment, reasonably close to the city is the main type of accommodation being sought.

An appeal is made to families, both young and old, who may have a vacant or share room and to older couples whose families have grown up to provide a home — one of the basic needs of man.

Suitable accommodation is of great importance in helping these young people adjust to a new and different way of life and to make friends and settle in Melbourne.

*Many require accommodation for only five nights per week as they go home at weekends.* The majority of applicants are decent and responsible young people who are more than prepared to make the efforts to settle in with their host families.

All people seeking accommodation are interviewed by the accommodation officer in order to ascertain their needs and to place them in environments where they would be best suited.

The YCW Accommodation Service is operated on a limited budget with only one full-time employee and a small voluntary committee. It dealt with 500 *enquiries last* year.

People who may be able to help or who would like to discuss the matter are invited to contact the accommodation officer, Ray Frawley, 355 Lonsdale Street, Melbourne, phone 67 9892.

# Netball success

Altona under-16 netball player Leanne Webb was presented with a Certificate of Merit by the Mayor of Altona, Cr. Harry Weaver, at last week's Altona Council meeting.

Leanne, a member of the Altona Methodist netball team, recently represented Victoria Under-16 Schoolgirls in the 1972 Australian championships.

Leanne attended the council meeting with her parents.

**ROTARY CLUB OF ALTONA**

# ADVERTISING ACTION — 68 6911

# SPECTACULAR ACCIDENT

**A man is in Western General Hospital following a spectacular accident in Millers Road, Altona, on Saturday night.**

Raymond John Wilson, of Williamstown, was the driver of a car which came into collision with a light pole on the plantation in Millers Road.

His early model station wagon was split in two as a result.

It is believed Wilson was the only occupant of the vehicle at the time of the accident.

Only the one car was involved.

Altona police attended the scene of the accident.

# Special effort

The winner of a Christmas hamper in the special effort conducted by Williamstown Cricket Club was E. Sullivan, of 66 Victoria Street, Williamstown.

Second was first 11 fast bowler Jeff Salter and third was J. Karvonenko, c/o the Spencer Street booking office.

**Proceeds of the special effort will go to Mrs. Margaret Bowyer, widow of Frank.**

# Pensioners party popular

More than 260 guests attended the annual Christmas luncheon held by the Williamstown Newport branch of the Combined Pensioners Association including the Mayor and Mayoress, Cr. and Mrs. McDonald, the Hon. A. Knight MLC and Mrs. Knight, Mr. and Mrs. M. Robertson and officers of the CPA State Council.

The association sincerely thanked the Williamstown Council for granting the use of the Town Hall, and the Mayor for the cake, a copy of the Williamstown ferry.

The association also thanked the workers in the kitchen and organisers of the party and said those attending had spared a thought for members who were unable to attend through illness.

# Do's and don'ts of holiday motoring

***This the fourth of an annual series of hints for motorists to keep their cars in good condition.***

**DO'S:**

- Check your cooling system's level more often.
- Check thermostat and radiator and have the engine flushed out.
- Make sure windscreen washer and wipers are effective.
- Carry spare radiator hoses.
- Carry a spare fan belt.
- Adjust headlights if towing a boat or caravan.
- Check tyres for wear, cuts, splits, etc.
- Inspect spare tyre for correct inflation.
- Brakes should be inspected and change linings and brake fluid if necessary.
- Steering and suspensions must be in a good condition.

**DON'TS:**

- Don't go away with obvious defects on your car.
- Don't overload your car.
- Don't continue to drive if a fault becomes apparent during your journey — investigate it at once.
- Don't forget to clean your windscreen each day.
- Don't drive at night if your headlights are working incorrectly.
- Don't carry extra petrol in plastic containers.
- Don't forget to constantly check your instruments and gauges on a long trip.
- Don't drive on underinflated tyres. Increase inflation pressure by 2-4 lbs. before long trips.
- Don't wash your car in hot sunshine.
- Don't forget to wear your seat belts at all times when driving.

# CARS AND CYCLES AT ISLAND

A highlight of the combined motor car and motorcycle race meeting at Phillip Island on December 31 will be the first two heats of the Summer Series. This series is to be run over the two summer meetings finishing with the Endeavour Cup on January 28.

The $1000 series is for Fomula Three and Formula Ford racing cars, and a highly competitive field of 26 have entered for December 21.

Among them are drivers from Queensland, NSW and South Australia, all keen to prove their superiority over the Victorian specialists in small capacity racing cars.

Pre-race favorite is Melbourne speed shop owner and works Toyota driver, Brian Sampson. Sampson is constructing his own car, but as this is unlikely to be ready by December 31, he has borrowed the successful Cheetah car from its owner to contest the first round.

Two other interesting entries are the Formula Ford of Formula Vee champion, Terry Perkins, and the brand new Birrana of John Davison.

The 18-event programme will start at 10.30 p.m.

# Medal for Dr Coutts

*Dr. Donald Coutts was awarded a Victorian Red Cross Society's long service medal and bar at the Williamstown service company's Christmas meeting last week.*

The medal is for 20 years service and the bar for an additional 10 years.

**Mrs. Mary Dyble was also awarded with a long service medal.**

Dr. Coutts was responsible for the formation of the Red Cross service groups in Williamstown in 1938-39 and helped train personnel and establish first aid posts and ARP groups throughout Williamstown during the Second World War.

He is still the chairman of the Williamstown Red Cross Company.

Mrs. Mary Dyble has been an active member of the company for 20 years, serving wherever asked and in many capacities.

**A service stripe was awarded to Mrs. G. Valentine for outstanding service over the past 10 years.**

Dr. Coutts was speaker for the evening and told of the recent typhoon devastation in Fiji. He arrived there on a holiday trip with two daughters the day before the typhoon hit.

# LIGHT POLE HAZARD

A large electric light pole only 10 ft. from the practise wicket is a hazard to cricketers, according to the Digman Cricket Club.

The secretary wrote to Williamstown Council that rebounding cricket balls presented a hazard to the players.

The club also complained that one end of the weather strip recently put down with council help had been crushed by heavy trucks.

It has asked for a heavy roller to help maintain the turf practise wickets and also to extend the present practise area, to overcome problems caused by the limited wicket area.

The club considers two turf practise wickets are insufficient to allow for rotation and adequate rest for the wickets.

At last week's council meeting, councillors asked for a report from the City Engineer and the Electrical Engineer.

Cr. Ron Dawes suggested that the matter of the SEC pole should be brought up, in discussions to take place soon with the SEC.

**B GRADE**

Tigers d. Jets, 13-11; Twilights d. Vikings, 18-6; Rebels d. Graduates, 18-12; Crystals bye.

# ONE DAY MATCH TO WILLY

**Williamstown showed Box Hill no mercy in winning the one-day Yuletide game, last Saturday.**

Bowling performances by Don McKenzie and Les Joslin coupled with a dashing innings by Robin Dyson were the main factors in Willy's convincing victory.

Box Hill, with 27 points were fifth in East group — the same as Williamstown in West group.

The home side skipper, Ogilvie, won the toss and elected to bat on a perfect track. Box Hill handled the fast Williamstown attack quite well and had their first 50 up in 42 minutes. First to go was Medson who was caught behind by Tom Ferris off the bowling of Les Jsolin. Les got his second victim when Don McKenzie held a fine catch to dismiss Tierney. Then McKenzie got busy and got the other opener, Charman, lbw, bowling the captain Ogilvie and catching Utting off his own bowling.

The next batsman was run out by a keen Williamstown fielding side. Les Joslin took the next two and Don McKenzie capped off a good days work with the 'cherry' and took the last two to dismiss Box Hill in 34.6 overs for 147. Williamstown opened with Kev. Tweedly and Barry McConnell and when they were 21 McConnell was caught behind for 6. Kev. Tweedly was caught at silly-leg, off his foot, for 25.

Williamstown were a humble 2 for 39, but it was here that Bert Park and dynamic Dyson got going. Robin got his 50 in 75 minutes and they "smashed" the bowling and went on to get the third wicket-partnership up to the 'ton' in equal time. Park went on until stumps for 38 not out and Dyson, unconquered for 87 (12 fours) in an innings of 2 for 169. It was a pleasing performance and it appears that the Williamstown side in the New Year will come up with some remarkable achievements. Prospects for the flag look rosy.

**DETAILS**

Scores: Box Hill 147. Williamstown Bowling — Geoff Horsburgh, 9 overs, 1 mdn. 0/24. Don McKenzie, 8.6 overs 5/27. Pete Bowyer, 4 overs 0/26. Les Joslin, 13 overs, 1 mdn., 4/55.

Williamstown — Kev Tweedly, caught, 25. Barry McConnell, caught, 6. Bert Park, not out, 38. Robin Dyson, not out, 87. Sundries, 13. Total — 2 for 169.

The Seconds could only notch seven for 108 (cc) with the bright spot being a return to form from Alan Harris, with 60 runs. That shows how the rest of the batsmen went in the game against Box Hill at the local ground! John Becroft won the toss and of course batted on a perfect wicket.

Box Hill batted and good bowling by Graeme Coulston and Lou Dowling kept their scoring rate down, but good innings by Jim Osbourne and an unconquered 59 by Peter Tierney got them the runs.

Phil McTaggart, now back in "civvy life" took two-handy wickets and it looked as though the Seagulls would win. But Box Hill got the runs to take the game and as a result would be in first or second position in the East Group.

They finished with five for 117 and it was bad luck that a few more runs were not scored by the Seagulls — the finish could have been interesting.

Williamstown — Alan Harris, bowled, 60. Ron Shaw, bowled, 10. Phil McTaggart, caught, 6. Graeme Coulston, caught, 12. Graeme Dean, bowled, 1. George Shaw, not out, 13. John Becroft, run out, 3. Andrew Davis, lbw, 0. Sundries, 3. Total — 7 (cc) 108.

Box Hill — 5 for 117. Lou Dowling, 15 overs, 1 mdn., 1 for 39. Graeme Coulston, 9 overs, 1 mdn., 2 for 29. Norm Shaw, 5 overs, 0 for 26. Phil McTaggart, 8 overs, 3 mdns., 2 for 17.

In a one-day game at the Fearon on Saturday, Brunswick were the bosses over a much younger Williamstown side. However, there was some good batting in the five for 92.

Brian Park (12), Jeff Salter 21, Jeff Dean 20 not out and Al McLellan 25 not out were good performers. Brunswick batted and despite good fielding by the young side and three for 51 from the arm of Noel McLeod they got 167 for the loss of five wickets.

The Thirds play their next game (one-day) against Yarraville. The Firsts play Dandenong at Williamstown on January 6 and then go to Preston for a 2-day fixture, January 13-20.

A noteable fixture coming up is the two-day game of the thirds, which will be played at the Williamstown ground on Sunday, January 14-21 against Coburg. This is a holiday must for the stay at home Williamstown cricket fans.

The Williamstown camp was saddened by the unfortunate car accident involving brothers Graeme and Trevor Smith outside the home of their grandmother in Bayview Street whilst on their way to the cricket about lunch time on Saturday. They were both admitted to the Western Suburbs Hospital.

The players celebrated their Christmas wind-up after the game and the pavilion, decorated by president Bob Major looked great and the kiddies received their presents from a young 'Santa' — Graeme Coulston. He did a great job but looked to an amber after his work. An effort organised by Robin and Lola Dyson raised a large sum of money for Margaret, the widow of the late Frank Bowyer.

# COUNTRY WEEK CRICKET

Country Week cricket matches will be held at the Williamstown cricket ground from February 5 to 8 next year.

# SCALES TILTING IN FAVOR OF SPOTSWOOD

**Spotswood has the scales tilted in their favor after the first day's play against third-ranked McKinnon.**

Winning the toss and batting in ideal conditions, Spotswood compiled 239.

Mick Connors, back in form after a disappointing run of "outs", batted particularly well to notch 74.

Mick indicated with some classy strokes that he is going to be a force to be reckoned with in coming games.

Rod Lee, playing in his first senior game since returning from Yarraville, continued the run making with a fine knock of 49. Connors and Lee put on 104 for the third wicket.

Bill Couch, also elevated to the first eleven, celebrated with a handy 32 and consistent Robert Doyle contributed 23.

McKinnon, batting in the last half hour of the day's play, were 2/23, Robert Doyle did the damage picking up both wickets for the loss of eight runs.

The second eleven continued with their winning vein, taking first innings honors on the first day. Pas. Mifsud 3/27, Jeff White 3/14 and Peter Brown 2/37, dismissed McKinnon for 101. Kevin Lee set out to consolidate the position and did so finishing with 70 n.o. Ray Nicol supported him with 23 and Ray Picone remained not out with 18. At the close of play Spotty were 6/145.

Spotswood's North A side, batting first, could only manage 89 against the talented Middle Park attack. Eddy Short with 23 and Daryl Fogarty 21, did a good job for their side. The situation looks rather grim for Spotty and Middle Park finished the day only one run behind for the loss of four wickets.

North C did not fare any better and were bundled out by La Trobe for 77, with only Don Sturrock 23, Vas Christakakis 22 and Robert Richards 14, offering resistance.

Don Sturrock 4/37 battled hard for his side. However he could not prevent LaTrobe declaring at 5/141. Spotswood were 0/13 in the second innings.

# Local girl to row in C'ship.

Nineteen-year-old Carmel Hynes of Williamstown has won State selection to the VLRA senior crew to contest the Australian Championships at either of the Albert Park Lake or Lake Wendouree venues in April, 1973.

Carmel has raced for about 18 months with the YWCA rowing club and during that time has represented her club in a junior four and pair at the national championships in Canberra earlier this year.

The crew comprising Carmel in bow seat, Wendy John (2), Trisha Blaxton (3) and Connie Van Vogt with SA cox Noel Clark spread-eagled the field in the Victorian Senior Championship at Albert Park on December 16. The crew was coached by Banks, R. E. Sculler and former King's Cup oarsman, John Bennett.

All members are now State representatives. If they win the Australian Championships in April they will represent Australia against New Zealand at the Kings Cup Regatta in South Australia.

# Altona's match to be best of year?

***Altona North and Altona met for the first time last weekend in a game which could rank as the match of the year.***

North, batting first, had compiled 193 when stumps were drawn.

After a dismal opening (2/16, captain Spike Harris and Stan Hatt pushed the score along to 3/33. Spike and Keith Miller then took the total to 4/76.

Max Outen and John Coffey, with a partnership of 50, Harold Mason and Tom Carroll hammering 35 and a last wicket partnership of 23 between Mason and David Price, consolidated North's position.

**Best bats:** Mason (44 n.o.), Harris (37), Coffey (33), M. Outen (22), Miller (19), Hatt (14), Glazner (10).

**Altona best:** B. Forrester took three wickets.

**SECOND XI**

North put together an energetic 197 after a poor start (1/7). Geoff Spicer returned to form with an excellent 41.

He was well supported by Peter Banks (29) to put on a first-wicket stand of 43.

Other partnerships between Banks and I. Walker (20), Keith Outen and Peter Costello (45) and Peter Hateley and Gary McGorlick (32 contributed to the fine tally.

Altona were 3/37 at stumps. P. Hateley, 2/13 and R. Buchanan, 1/22 were the wicket takers.

**Best bats:** G. Spicer (41), G. McCorlick (35 n.o.), P. Costello (34), P. Banks (29), K. Outen (17), I. Walker (17), H. Black (14).

**Altona best:** John Denier and Laurie Egan.

**THIRD XI**

North were defeated in a one-day match against Williamstown CYMS, making a paltry 66 runs in the first innings.

M. McDonald (12) and Kevin Jackman (11) were the only batsmen to reach double figures.

However, a fight back by the bowlers captured 6 CYMS wickets before they passed North's score. CYMS declared at 7/124. North were 2/56 at stumps. Kevin Jackman (11) and newcomer, Allan Jamieson (26 n.o.).

The juniors also suffered defeat in a one-day game — against Altona.

Scores: Altona 1st innings, 1/108 cc. North first innings, 83.

**Best bats:** P. Cassar (31 n.o.), K. Parkhill (11), D. Thorpe (10).

Promising bowler, H. Hart, broke a finger at training and was unable to take the field.

# Williamstown beats Melb. Uni. athletics

**Williamstown Amateur Athletic Club's B grade team defeated Old Wesley, 77-39, in competition at Melbourne University last Saturday.**

Best performers were middle distance runner Terry Phelan, who ran 1.53.3 for 800 metres and 15.01 for 500 metres, and Shane Dooley, winner of the 1972 Williamstown Christmas Gift, who won the 400 metres hurdles and finished second to team mate Brian Davidson in the 110 metres hurdles.

Rising sprint star David Jamieson won the 200 metres (22.9). Third and sixth placings went to Greg McVicar and Kevin Esmore.

John Van Denoeven directed the sub-junior's team onto "victory road" by convincingly winning the hammer throw (86 feet 10 in.) and the shot put 42 ft. 1 in.). Paul Allsopp won the sub-junior javelin with a throw of 122 feet 7 inches.

In the under 15 high jump Neil Rayner reached a height of 5 ft. 4 in. Also in the under 15 team's events John Steward won the 800 metres walk in 4.01.8.

Gary Hall, competing in the under 14 long jump, reached his best distance (15 ft. 2¾ in.) to win the event.

Schoolboys' champion Dale Barling, competing in the under 14 shot put, reached a distance of 36 feet 8½ in. to win.

# Newport in big 'crash'

**Newport first eleven "crashed" against Murrumbeena last weekend.**

The first eleven, chasing an outright victory, sent Murrembeena in to bat on a good wicket. Wickets did not come easily and Murrumbeena were finally dismissed for 187.

Tom Russell, 3/38 and Roland Nicholson, 3/54 being the main wicket takers. With half an hour of batting time left, Newport crashed again to be 3/15 at stumps.

2ND XI: Newport batted first to score 131. Runs were divided between Bob Colvin, 21, Roy Sadler 22, "Deadly" Aitken 23 and Jim Hynes who lasted for seven balls to score 24. Following Newport's first innings Murrumbeena were 3/47 at the end of play.

NC XI v. N. P.: Batting first, Powerhouse collapsed against steady bowling by Archie Lloyd, 5/17 and Tom Barrassi, 4/20 to be all out for 58.

Newport then batted until they declared their innings closed at 5/62, Gary Richards, 28, being the only run-getter worthy of note. Asked to follow on, Powerhouse were 3/95 at stumps. As it was a one day game Newport managed first innings points.

# HAS EYE ON PAVILION

Williamstown CYMS wants to inspect the batting pavilion at Williamstown beach with a view to using it for pavilion accommodation.

The society's application for the Esplanade tennis clubrooms was rejected last month by council in favor of an application from the Williamstown Lacrosse Club.

The society's solicitors wrote to council asking if the society's committee could inspect the bathing pavilion before any formal application for its use was made.

Other sites in Williamstown are also being considered.

At last week's meeting, council referred the request to its Reserves Committee for consideration.

### Your Guide to Buying a Good Used Car

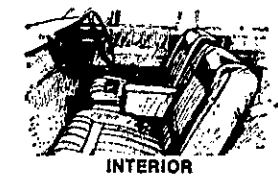

**BODY WORK & TYRES**

Inspect bodywork for obvious defects in panels, look for rust. Ensure doors close smoothly and lock securely, headlights, parking and stop lights work effectively. Turn indicators in working order? Look for unevenly worn tyres.

**UNDER THE BONNET**

Test the engine for starting, smooth idling, undue exhaust, is the engine clean, no oil leaks. Listen for excessive noise. Test drive to check acceleration and power. Clutch, gears, steering and braking, electrical and cooling systems.

**INTERIOR**

Check floor, ceiling for cleanliness and condition, seating for upholster springs. Check steering, accelerator *and brake pedals, sun visors, dash* panel, speedo, fuel gauge, etc.

**I CARE . . . that our warranty can't be bettered.**

**'67 HOLDEN HR PREMIER S/WAG.**

A good reliable run-about with room for the whole family — and the dog! Manual, cool white over rich bronze, brown interior, heater, power brakes, carpets, electric rear window.
